THE CITY OF PERFECT BALANCE

WINTER 2015

A MESSAGE FROM THE MAYOR

To my Friends in Huntington Park,

It has been an incredible eight months serving as your Mayor and in that time this wonderful city has made some astounding leaps. I am also warmed by the joy I see within all of you during this grand time of year. As a public servant for Huntington Park, it is my solemn duty to ensure the well-being for each of you and to help provide for your safety. As such, I would like to provide you with some safety tips for the coming winter months.

This year's El Niño is anticipated one of the largest, if not the largest, in recorded history. During El Niño's time here, California will experience very cold temperatures and large amounts of rainfall, coupled with snow. When this occurs, I urge you to be cautious on

the road and be alert for aggressive drivers. Slow down and save a life. In addition, I recommend stocking up on water, non-perishable food, medical supplies, blankets, and sandbags (if you live in an area prone to flooding). While the city does not expect any major issues to occur, it is best to remain prepared.

In addition, the holiday season is upon us. Many of you will go out for your holiday shopping and adventures. During this time, please remember to lock your doors and windows in your cars and homes to help prevent theft. Also, keep your personal belongings and shiny, new presents out of sight when left in your vehicle or in your residence. If you do experience a robbery or burglary, please call the Huntington Park Police Department immediately.

Your safety and well-being is my priority. The City will work to ensure that you all are in good hands and looked after. If you have any questions, comments, or concerns, you are more than welcome to contact myself or the City. Thank you and Happy Holidays!

POLICE CADETS SHINE IN HUNTINGTON PARK

The City of Huntington Park is very proud of its Police Cadet Program. The Cadet Program consists of 20 positions that present an excellent opportunity for those individuals who are interested in a career in law enforcement. Cadets are part-time employees, who assist with various functions throughout the department, including Bike Patrol, Park Safety, Investigations, Evidence, Administration, and Youth Services. This important position allows the Police Department to direct its sworn Police Officers toward other important work, high priority and emergency calls for service. Police Cadets have proven to be an invaluable component of the police department. Cadets assist with neighborhood searches of lost children, evidence collection, preparing police reports, police department tours and participating in numerous community events.

Cadets assist with police department related presentations at many of our local schools and organizations. Amongst other qualifications, Cadets are required to be at least eighteen years of age, have a valid drivers' license and be enrolled as a college student.

The Police Department recognizes the need for exceptional public service and the Police Cadet Program is part of our evolving commitment towards that goal. Many former Cadets have gone on to become Police Officers within the Huntington Park Police Department and various other law enforcement agencies.

The police department is constantly seeking qualified individuals from the Huntington Park and surrounding communities to join our ranks and serve the residents of our community. If you would like additional information about the program please contact Lieutenant A. Martinez at amartinez@huntingtonparkpd.org.

HELP KEEP HP CLEAN AND DEBRIS-FREE

A clean city is a happy city. The City of Huntington Park urges residents to help maintain the cleanliness and appearance of their neighborhoods. In doing so, residents will enjoy living in an attractive community for all to see.

To aid in the City's quest to keep the area debris-free, residents are invited to join City officials as they clean up the city streets and alleys. Every year thousands of pounds of litter make their way to storm drains and into the oceans. Last year alone, city staff picked up over 10 tons of bulky items and litter with the help of concerned residents, students, and the HP business community.

While picking up debris helps to maintain a pleasant appearance, it also helps to maintain the environment. Did you know that one cup of used oil can contaminate thousands of gallons of water? Used oil and used oil filters that are dumped in the trash present a dangerous toxic combination to the drinking water. Used oil dumped in city streets often makes it to the ocean through city storm drains, which poses a danger to the water supply and marine life. Disposing of used oil and oil filters is very important both to the Huntington Park community and the environment. As such, City staff will hold used oil and used oil filter events on the dates listed on the city calendar.

For more information about these clean-up programs and other ways the City helps to maintain the community, please contact Christina Dixon at 323-584-6323 or cdixon@hpca.gov.

JOIN THE HUNTINTON PARK TEAM!

The City of Huntington Park currently has vacant employment positions. Check out the City's current career opportunities and be the first to know when new positions open up by signing up for email alerts at www.hpca.gov on the "Job Openings" page.

BYE BYE MATTRESS BEGINS DEC 30

Thousands of old mattresses fill up landfills every year and are difficult, as well as costly, to recycle. In response, the state will soon launch Bye Bye Mattress, otherwise known as the California Mattress Recycling Program at the end of December 2015.

bye bye mattress

A Program of the Mattress Recycling Council

This program will require retailers to begin collecting an \$11 fee for every mattress and box spring sold. Residents will also be able to drop off their old mattress at no-cost at participating collection sites or recycling facilities. A reimbursement per mattress and box spring is only given at participating recycling facilities. The nearest facility for Huntington Park residents is located at **Blue Marble Materials, 6050 Rickenbacker Rd, West Commerce, CA 90040.**

VOLUNTEERS NEEDED FOR HOMELESS COUNT

All across Los Angeles, there are numerous homeless men, women, and children in need of support and vital services. The Homeless Point-in-Time Count, led by the Los Angeles Homeless Services Authority (LAHSA), is how officials determine how many homeless individuals and families we have in the Los Angeles Continuum of Care (CoC) on any given night. In 2015, the Greater Los Angeles Homeless Count engaged more than 5,500 volunteers who counted 89% of LA County's census tracts.

Volunteers are asked to donate their time, talent, and concern to help inform the state of homelessness in Los Angeles, to bring vital community resources, and to drive community engagement to tackle the issue.

All volunteers will be fully trained and provided with equipment and materials. Volunteers need to be at least 18 years old to participate in the count since it will be occurring at night. If you are under 18 or want your children to be involved, there are opportunities to help out at deployment sites. In addition, volunteers may also select what areas they want to volunteer in and what shifts they are willing and able to take on.

The homeless count for the City of Huntington Park will occur on **Tuesday, January 26, 2016 from 8 PM—11 PM.**

To register or for more information, please visit www.theycountwillyou.org/huntington_park_count.
